

## 2006 Musicplay 4 and 5 Updates

Musicplay 4 and 5 were extensively revised in the Fall of 2006. We started shipping the new editions of Musicplay 4 and 5 August 30, 2006. This is such a large update that we will not be printing an update book/CD. There are 42 new musical selections in Musicplay 5 and 24 in Musicplay 4. To receive updates at the special price, we will require return of the old Musicplay 4 or 5 colored title page and introduction pages as proof of your purchase. We will send you the complete revised teacher's guide and new CDs for only \$40.

To receive the updates for **free**, order a class set of student books for Musicplay 4 or 5 (minimum 20 copies) request the updated teacher guide, and we will send it to you at no cost.

If you purchased class sets of original edition student books (minimum 20 copies) for Musicplay 4 or 5, you can request by email a pdf file with reproducible copies of the new songs. Please include approximate date of purchase, and name of purchaser so we can verify that the student books were purchased.

Teachers or schools who purchased Musicplay 4 or 5 during 2006 should automatically receive these updates at no cost. We have compiled a list of those who purchased from Themes & Variations, and those who registered their copy with us and will be shipping those copies out in early September.
