

2005 Updates to Musicplay 3

We revised Musicplay 3 in 2005. The original edition of Musicplay 3, written in 1999, included some songs that were used in more than one grade level. We decided to eliminate any overlap of songs between grade levels. The replacement songs that were chosen, were chosen to teach the same concept, or the same theme as the original song. If the original song was an action song, we replaced it with an action song. We also added some material to Musicplay 3, just for fun! Many multicultural listening examples were added as part of this update.

In keeping with our update policy, we want to keep the updates as reasonably priced as possible. I will still send the new guide to teachers as pdf files via email, at no cost. However, to print out 150+ pages on your home printer, will cost about the same as ordering the materials.

If you love your Musicplay 3 just as it is, don't update! Just keep using the materials you have, and don't feel that you have to order an update, just because a newer edition is available.

For the teacher that teaches only grade 3 music, the best way to get this update is to order the update book/CDs with all the new songs. That way, you have all the original songs AND the new songs. The update book/CDs for Musicplay 3 are "Kid's Favorites - Musicplay 3 Revision" and "Games, Rounds & Holiday Songs - Musicplay 3 Revision". They are \$15 for teachers who own the Musicplay 3 binder. For non-users, the price is \$20. (Some teachers who don't have Musicplay will want to order these collections just because they are great material for grade 3.) To receive the \$15 pricing, you must order by email, or fax in the Musicplay 3 registration and order form. Once you have the new songs, you can make a note by the old song in your Musicplay binder, that a new song is available. You can choose whether you want to teach the original song or the new song.

Update Book/CDs for Musicplay 3 \$30:

Kid's Favorites - Musicplay 3 Revision \$20 non-users

* Update price \$15 (for teachers who have Musicplay 3) is available by email or by completing registration only

* Email tvmusic@telusplanet.net to order this or for a rebate if you've paid full price for the book/CD.

Games, Rounds & Holiday Songs - Musicplay 3 Revision \$20

* Update price \$15 (for teachers who have Musicplay 3) is available by email or by completing registration only

* Email tvmusic@telusplanet.net to order this or for a rebate if you've paid full price for the book/CD.

Our on-line order system will be set up with a \$20 price for these books. To receive the \$15 price you will have to fax in the order form/registration, or email tvmusic@telusplanet.net We won't be set up on-line for the exchange of guide/CDs. You will have to ship the old guide/CDs to us.

OR

Exchange Guide/CDs: \$40

For the teacher that teaches music to grades 1-3 or K-6, a better way to update your Musicplay materials is to exchange your guide/CDs for an entirely new guide/CDs. The songs that were replaced in Musicplay 1 will be in Musicplay 2 or 3. If you have Musicplay 1-2-3, you'll still have all the songs, but they won't be in the Musicplay 1 binder. Just send us back your Musicplay 3 guide (keep the binder - it will ship for less), and when we receive it we will send you a brand new guide and 4 new perf/acc CDs. If you want to keep your lessons for the month, by all means keep the lessons for the month and the CD you need. #MP3 Update \$40

Student Books: If a school has purchased a class set of the first edition Musicplay 3 texts (minimum 20 student textbooks) email tvmusic@telusplanet.net to obtain a set of overhead masters of the new songs with your guide.

We have been shipping the new edition of Musicplay 3 since June of 2005. However, teachers who ordered Musicplay 3 between Jan. and June of 2005, were notified that an update was expected, and these teachers have been sent the update books/CDS.

If you're not sure if you have the original edition or the revised edition of Musicplay 3, look at the guide. The yellow cover page will say "Grade 3 Music Program Revised" if it is the revised edition. The first song in the revised program will be "I Like Singin'"--- not "Welcome to Music".
